Jim,

Thanks. This is very helpful. We understand this is an internal City draft and will not be released to anyone outside of Foth. Thanks for your trust in sharing this.

I understand you want us to keep our two proposals separate and **not** linked: (1) Organized collection planning assistance; and (2) Solid Waste Manager.

Our current focus is on the revisions to the organized collection proposal as we discussed this morning. We will get you a revised proposal by Tuesday morning, Sept 2, if that is soon enough. Let me know if this deadline works for you.

After this is submitted by Foth to City staff, we will begin work in earnest on our Solid Waste Manager proposal.

Please feel free to contact me or Warren if you have any questions or need more information.

Thanks again.
