

Anoka City Code

- **Sec. 70-115. - Limitation on number of licenses.**

(a) *Purpose.* It is the intent of the city to reduce the number of solid **waste** collection licenses issued. The means of this reduction will be through attrition. The limitation is deemed necessary to protect the health, safety and welfare of the city and its residents.

(b) *Limitation exception.* No more than three residential collection licenses and three commercial collection licenses may be in force at any time, except that all companies licensed by the city as of **September** 1, 2015, may be relicensed according to the following conditions:

(1) The licensee has conformed to all city, county, state and federal laws related to solid **waste** collection.

(2) There is no lapse in the license period.

(3) The licensee submits a fully completed annual renewal form, payment and all required documentation by the due date for renewals. Incomplete applications shall be returned to the licensee and must be resubmitted by the original due date. Failure to submit a renewal, payment and all required documentation by the original due date will be cause for the city to deny the renewal of the license.

(4) Licenses are nontransferable, except when an existing licensee undergoes incorporation, sale or merger with another existing city licensed collector, so long as the ownership, control, and interest in the license remain with a pre-existing licensee.

(5) The type of service offered (i.e., commercial/industrial/multifamily or residential) has not increased from the previous license period.

(6) There has been no increase in the number of trucks as listed in the application for the previous year's license.

(7) Licenses must not have been suspended more than two times in a 12-month period, or revoked.
